

## Job Information

Title: **Analyst**

Location: **Singapore** – 61 Robinson Road, #09-05 Robinson Centre, Singapore 068893

**Description:** Analytic Partners (Singapore) Pte. Ltd., a fast growing full service analytical service firm, seeks highly motivated professionals to join their global professional service team. Analysts will be assigned to a project team and be responsible for assisting the team members with research project execution. Analysts will:

- Apply statistical techniques to marketing mix promotion response analysis
- Develop and clean analytical databases
- Conduct business analysis to generate business insights based on analytical evidences
- Provide day-to-day analytic support for routine client projects
- Assist in client communications and presentations.

**Qualifications:** Bachelor degree or above in Statistics, Operations Research, Economics, Marketing or relevant analytical field. The ideal candidates are intelligent, hard-working individuals with exceptional analytical and problem-solving skills. To be successful in this position, the candidate must have:

- Strong attention to detail and aptitude for numbers
- Excellent verbal and written communication skills
- The ability to organize and prioritize across multi-tasks
- Desire and ability to work well with others in a team environment.
- Working knowledge of Microsoft PowerPoint, Excel and statistics or optimization software applications
- Authorization to work in Singapore

**Company Information:** Analytic Partners is a fast growing analytic service firm, offering advanced marketing mix modeling and resource allocation optimization solutions across multiple industries. Headquartered in New York City, Analytic Partners is a global consulting service provider with international offices in US, Europe and Asia. The company provides value-added analytical insights and business strategies to help the clients to improve their revenue performance, return on investment and resource allocation. Analytic Partners web site: <http://www.analyticpartners.com>.

**Contact Information:** Qualified candidates should forward resume and a cover letter [Hong.Jin@analyticpartners.com](mailto:Hong.Jin@analyticpartners.com).
